

Quilters Above the Clouds

Never-ending Tree and Bear Membership Quilt

Directions for your **Bear Block**:

Use a 9 ½ inch background block, preferably in a neutral fabric such as muslin or off-white cotton. Use the bear pattern to begin your applique. Use your choice of applique methods. Fusible or raw-edge applique is perfectly acceptable as well as more traditional methods.

“Dress” your bear to represent YOU. Use your favorite colors, styles and hobbies as inspiration and embellish however you like.

****NOTE:** Your block should be 9 ½” square before sashing is added. The block will finish at 9” square; therefore, when embellishing, please leave at least a half inch around all edges of your block to allow for seam allowance and courtesy to the person adding the sashing 😊.

If you don’t know where to begin, check out our website and click on the TREE & BEAR tab to see blocks that other members have completed. You can also see the first/second completed Membership Quilt at our monthly meetings and other QAC Events.

Last but not least, PLEASE SIGN AND DATE your block. The future will be here before you know it and when looking back, it’s always nice to see names and remember members that have moved away and such.

If you have questions, please contact Shawn at QAC.Shawn@gmail.com or see her at our monthly meeting.

Thank you so much for participating!
