Growth in Personal Quilting Skills:

Other:

Selection Committee Criteria: *Committee shall consist of no less or no more than 3 members. Preferably they shall be former recipients of this award (as soon as this is possible). When the newest recipient joins the committee, one recipient will rotate off. Therefore, the committee structure should never consist of the same members year after year. None of the criteria for this award is subject to change without careful consideration and approval of the membership.*
